

**PRIVACY OF HEALTH INFORMATION AGREEMENT**

The Privacy Act 2020 imposes certain obligations on researchers. For example, if individuals can be identified in a report, permission must be obtained from each person; records concerning human participants must be kept safe and secure; records collected for one purpose may not be used for another; and all personal research information must be destroyed when a project is complete.

The undersigned signify that all relevant requirements of the Privacy Act 2020 and Health Information Privacy Code 2020 will be complied with in this research.
